

### To Build Your Oracle

1. Cut out the Oracle.
2. With the Oracle facedown, fold it in half horizontally and vertically to create it like this. 
3. Fold all corners to the center. 
4. Your Oracle should look like this. 
5. Turn your Oracle over so the folds are face down. 
6. Fold all corners to the center again. 
7. Your Oracle should look like this. 
8. Fold your Oracle in half horizontally and then vertically. 
9. Put your fingers under the flaps. 
10. Pull flaps up and out to create the finished Oracle. 

### Rules for Use:

The first time you slay a Monster on your turn, consult the Oracle to gain an effect.

1. Choose one of the four Monsters on the outside.
2. Spell the Monster's name, moving the flaps in and out or side to side with each letter, keeping it open on the last letter.
3. Choose a color revealed inside. Spell out the color name, moving the flaps in and out and side to side, keeping it open on the last letter.
4. Choose a number shown on the flaps. Lift the inner flap to reveal your effect.
5. Read your effect out loud and put that effect into play for the time period specified.
