

Castle Panic®

Engines of War™

WHAT IS IT?

The expansion that adds a simple economy to *Castle Panic*. Now with a brand new look.

Players use Resource cards and the Engineer to build new weapons and defenses. The Monster army attacks with new ranks and powerful Siege Engines.

WHAT'S DIFFERENT?

Second Edition includes all new art, heavier card stock, and a few rules updates.

WHY SHOULD I CARRY IT?

- Track record of strong sales and consistent customer satisfaction
- Demand built through the *Castle Panic Deluxe Collection* Kickstarter
- Robust marketing and media outreach planned for 2E release
- Offer the complete line to your customers

HOW DO I SELL IT?

- **Target Market:** New *Castle Panic* fans who are looking to deepen their experience of the base game
- **Key Selling Points:**
 - New Resource deck and Engineer build options provide more interesting choices
 - Keep, Catapult, and Ballista tokens enhance the 3D appeal
 - New Monster abilities and threats require broader strategy decisions
- **Elevator Pitch:** In *Engines of War*, players collect and pay resources to the Engineer to build new weapons, such as Catapults, Ballistas, Barricades, and Spring Traps, to fight against new Monsters and Siege Engines.
